

**Trey W. Boring, Sr. Vice President
IMS Worldwide, Inc.**

Mr. Boring is the Senior Vice President of IMS Worldwide, Inc. (IMSW). He is the leader of the IMSW Foreign Trade Zone practice and works with clients to assist them in developing and implementing systems pursuant to the activation and establishment of their Foreign-Trade Zones.

Mr. Boring's position with IMSW makes him responsible for developing new business and consulting with clients on the systems they utilize in the operations of their Foreign-Trade Zones. Mr. Boring has experience working with projects in regulatory compliance, manufacturing and warehouse management. He has worked with clients on their recordkeeping and inventory control systems, to ensure that those systems meet the guidelines put forth in federal regulations.

He has a Masters of Business Administration degree, has served on the Board of two corporations and is a member of the National Association of Foreign-Trade Zones, the National Association of Installation Developers, the Council of Supply Chain Management Professionals, and the Texas Department of Economic Development.
